**5K RUN and 2 Mile WALK
Saturday, May 16, 2009
Atlantic County Park
Route 50, Estell Manor, NJ
*Rain or Shine!***

Ashley Marie Chiari, our daughter, sister, granddaughter, niece, student, and friend was a beautiful, loving, giving, and caring young girl. She was a child who cherished every moment of her life. She saw goodness in every person she met; greeted you with her warm smile. She was a dancer, pianist, and a girl scout. Her dream was to be a teacher.

On June 25, 2002 at 12:00 pm our family's life as we knew it would change forever. Ashley, a healthy eight-year-old, went into sudden cardiac arrest. Procedures to resuscitate Ashley were started immediately, and within minutes taken over by certified, trained personnel who were unsuccessful with fibulating her heart. Ashley was transported to the nearest hospital, but all attempts to revive her failed. The cause of Ashley's death was listed as Sudden Arrhythmia Death Syndrome with no found evidence to substantiate her sudden attack.
